## Help take control of your financial future with the Nationwide Advisory **Retirement Income Annuity® (NARIA®)**

The Nationwide Advisory Retirement Income Annuity<sup>®</sup>, a variable annuity, can offer retirement income opportunities to those planning for or living in retirement. To fully understand the potential benefits, let's start with the basics.

#### What are variable annuities?

Variable annuities are long-term, tax-deferred investments you buy from an insurance company to help you save for retirement. They are called "variable" because their value fluctuates based on the performance of the underlying investment options chosen by you and your financial professional.

All guarantees are subject to the claims-paying ability of Nationwide Life Insurance Company.

Withdrawals of tax-deferred accumulations are subject to ordinary income tax. Withdrawals made prior to age 59½ may incur a 10% IRS tax penalty.

### Some features of variable annuities:

#### What features does NARIA provide?

Nationwide Financial focuses on developing unique solutions to deliver value to financial professionals and clients alike:

- NARIA demonstrates the power of choice with a robust investment lineup to help you meet your financial goals - even when electing our living benefits: Nationwide Lifetime Income Rider+ Core Advisory<sup>sm</sup>, Nationwide Lifetime Income Rider+ Accelerated Advisory<sup>sm</sup>, and Nationwide Pro 4<sup>®</sup>.
- Because NARIA is an annuitant-driven policy, the death benefit is paid on the annuitant's life, not the owner's. As a result, if a death benefit is elected, it will go to the surviving spouse regardless of who passes away first.
- Sometimes, life happens. And because of how NARIA is designed, there is no surrender schedule, allowing you to withdraw assets when you need them most.<sup>1</sup>

<sup>1</sup> Withdrawals of earnings at any age are subject to ordinary income tax; distributions prior to age 59½ may be subject to a 10% early withdrawal federal tax penalty.

## **Understanding the Nationwide Advisory Retirement Income Annuity**<sup>®</sup> (NARIA<sup>®</sup>)

This variable annuity could offer you tax-deferred growth, investment choices and many other options to help you feel confident about your retirement. Your financial professional can help you decide whether the Nationwide Advisory Retirement Income Annuity could be a good addition to your investment strategy.
